The Abridged curriculum will be the basis for UNEB Assessment this year

It has come to the attention of the Board that there are concerns as to whether UNEB will set this year's examinations as per the abridged curriculum by the National Curriculum Development Center (NCDC).

The Board would like to assure head teachers and learners that UNEB will not depart from the guidelines provided by the Ministry regarding the abridged curriculum. This is therefore to re-affirm that this year's assessment will be in accordance with the abridged curriculum arrangements as approved by the Ministry of Education and Sports (MOES).

National Examinations will be conducted from October 14th - November 16th for UCE, November 7th - 9th for PLE, and November 18 - December 9th for UACE.
