To all Heads  
UCE and UACE Centers

#### **Re: Learners with foreign academic qualifications that Require UNEB codes to register for EMIS**

It has come to the attention of the Board that there are learners with foreign academic qualifications that have to receive UNEB codes after equating their qualifications. The learners require the codes to register for EMIS, as required by the Ministry of Education and Sports.

This is therefore to inform the Heads of Schools that UNEB will be in position to issue the codes when registration for the 2023 candidates commences. Accordingly, Heads of Centers are hereby asked to give these learners an extension, until the Board is able to issue them the codes, for registering the EMIS numbers.

Please note that the Ministry of Education and Sports has also been informed.

  
Dan N. Odongo  
**EXECUTIVE DIRECTOR**

C. C. Permanent Secretary,  
Ministry of Education and Sports
